To whom it may concern:

Derwin and Alene Hinson are unquestionably the most talented musical couple anywhere. They use their talent to glorify God, encourage churches, and reach the lost in creative ways. Their ministry has become legendary in the Lower Cape Fear Region, and their tireless travels take them routinely across the South East and beyond.

Even more important than their talent is their genuine walk with the Lord, the example that they live out here at their home church, and their sincere love for people and desire to bring them to Christ. I am so happy to call them my friends, my brother and sister in Christ, and my fellow servants.

I highly recommend Derwin Hinson Ministries to you and encourage you to invite them to minister at your church or organization. I know that God will use them for His glory to greatly minister to you, as He has used them countless times before.

Sincerely,

Rev. Chuck Love, Senior Pastor
